Happy Autumn to all our readers. I trust this year of 2018 has been a good one, overall and that you will enjoy the Holiday Season, which is fast approaching!

I am excited to have been selected to serve as your President this past year and am looking forward to serving another year with our amazing Board of Directors! This has been a great year for Community Campership Council. We have assisted in sending 416 kids to camp in 2018! Without our help, many, if not most of these girls and boys would have missed out on the rich experiences gained from being away from home for a few days, and learning about nature and the world out there!

The Goal of our Kids to Camp Program is to make available a joyful learning experience in a natural setting for deserving children from diverse backgrounds. We hope to expand their understanding of nature, of themselves and others, of the environment and the importance of conservation; to foster wonder, give hope and build confidence.

Our theme for the new year is A TOUCH OF CAMP CHANGES LIVES. At the Annual Meeting, we ask a representative of the camps we assist to give a brief report or story about children who have received help from CCC. These inspirational stories are heartwarming and get to the core of what we are all about at CCC.

Think of how your life, or that of your kids or grandkids, has been positively affected by the joy of being outdoors or away from home for a few days. A change of routine and a chance to get close to nature! CCC provides assistance to families who face the financial challenge of providing their kids a camp experience.

This coming year we are looking for ideas for some fundraisers, perhaps new ones we have yet to try. I seek your creative ideas and thank you for your support! We are a team!

A big thank you to Derek Hartley, for chairing this year's Golf Tournament at the Rancho Bernardo Inn. It was a great success and we will be back at the same venue this coming July 12, 2019. Spread the word as we will need sponsors, golfers and foursomes.

Join us at our board meetings, now held at our CCC office at 7510 Clairemont Mesa Blvd., Suite 105. We have a new office downstairs and plenty of parking. The next meeting is on November 27, 8:00 a.m.
416 Kids Went to Camp

- 305 children attended summer camp
  - 227 children attended 15 Day Camps
  - 78 children attended 9 Resident Camps

- 111 children attended camp in the fall and spring as part of Sixth Grade Camp. Three schools with 50% or more of the kids qualifying for the free or reduced lunch were selected to participate by San Diego County Office of Outdoor Education. These campership awards averaged $90 a student with the rest funded by the parents and school subsidies.

- Eight of the 305 summer camperships were provided for campers attending Leadership or Counselor in Training Camps. Four camps participated in this program.

- 1% of our campers were from military families.

- 52% of the campers we helped were boys and 48% were girls. 64% percent were older kids between 10 and 17.

- Latinos represented 51% of the campers, 25% were Caucasian, 9% were African American, 2% Asian Pacific, 2% American Indian and 11% were multi or not reported.

- 80% qualify for free lunch and 60% of this group have family incomes at or below the poverty line.

- 222 youth attended a session of camp with a Boys and Girls Go To Camp voucher funded by the Boys and Girls Foundation. 9 resident camps and 15 day camps shared in this program.

Kids to Camp Scramble

This year’s Kids to Camp Scramble was held at the Rancho Bernardo Inn on July 13, with an 8:00 am shotgun start.

George Adams won the Putting Contest, and his name has been placed on our traveling trophy. Rick Hackley won Closest to the Pin and the longest drive went to Nastasia Kossacky on Derek Hartley’s foursome.

The first place trophy was awarded to the foursome composed of Rick Hackley, Bill Brooks, Nubuko Minnerd and Chuck Minnerd. Second Place went to David Werth’s foursome. Plans are already underway for the 2019 Kids to Camp Scramble. It will be at the Rancho Bernardo Inn on July 12, 2019.

From The Mailbox

I liked camp because I got to go on a hike and explore. I saw a deer, birds and a snake. My favorite part was when I fell in the water and got wet. Camp changed me by making me like nature and exploring. Every day I can go outside and explore.

~Christian

Thank you for making it possible for me to go to camp. It was really fun, hiking, going to the water and trying out new things. I was able to be with my friends and make a lot of memories. This was all possible because of you.

~Diego

Outcomes Reported!
95% Made new friends
84% Learned something new
92% Got outdoors in nature

It was my first sleep-away camping trip. I was a little scared but I was not homesick. I felt very at home here.

~Morgan

Archery was great! I got 16 golden arrows!

~Sophia

I am so thankful that I got to go to camp. I felt like I was surrounded by nature. I made new friends and tried a lot of new things. To me it was a once in a lifetime opportunity.

~Valeria

On our hike we crossed a river and went through a bunch of mud. It was the best. I am really glad I got to go to camp because I loved it so much!

~Carlos

I tried rock climbing.

I was scared of coming down.

CCC’S 2018 Annual Meeting

The Annual Meeting of the Community Campership Council was held October 24, 2018, in The Presidio Room at Admiral Baker Field. Vic Enchelmayer, President of the Board, welcomed the guests and invited every one to partake of the breakfast buffet.

Following breakfast Bob Mueller from San Diego County Office of Education’s Outdoor Education program, introduced Greg Schuett, Principal of the Cuyamaca Outdoor School as our speaker. He spoke on how camp changed the lives of both teachers and campers.

Vic Enchelmayer briefly outlined the events of the past year. He introduced Carol Stachwick, CCC’s Treasurer, presented the allocation checks to Boy Scouts of America, Camp Fire Council, Camp Stevens, Girl Scouts, Camp Gan Israel and the San Diego County Office of Education’s 6th Grade Camp. Camp Jaycee was unable to attend and their check will be mailed to them.

Jose Cruz, from the Board of Directors of the Boys and Girls Foundation, then awarded checks to the camps that participated in the Boys and Girls Go to Camp Program. This program is one where the Boys and Girls Foundation issue $250 vouchers to qualified young people. They pick the camp they want to attend and turn in the vouchers. The CCC is billed for the amount of the voucher used. Those receiving checks were Girl Scouts, Camp Stevens, Whispering Winds Catholic Camp, Boys & Girls Clubs of Greater San Diego, Camp Fire, Jackie Robinson YMCA and Camp Gan Israel. The Birch Aquarium, Copley-Price YMCA, Cameron Family YMCA, John A. Davis YMCA, McGrath Family YMCA, Mission Valley YMCA, Toby Wells YMCA, Palomar YMCA, and YMCA’s Resident Camps also participated in this program but were unable to attend and receive their checks.

The President’s Award is awarded to the Board Member of the year. This year the award was presented to Debra Oberg. This year’s recipient has served on our board for several years. She has been supportive of all our special events and gives her own donation annually. She has successfully chaired our Red Carpet event for 2 years and been a great help in any and all ways that she could.

The William E. Van Arsdale Award of Merit is given to an Agency Professional or volunteer who has provided exemplary service and/or exceptional creative leadership. This year there were three well qualified nominees for this award. The committee had a difficult time deciding who should receive the award but finally made the decision.

Nominees were Karl Shelton, Director of Support Services at the San Diego Imperial Council of Boy Scouts of America. His job has him overseeing the entirety of programs delivered at the three Boy Scout properties. Charles Jezycki works in the Special Education field and has a history of volunteering. One of the things he does is spearhead the Eagle/Trailblazer Spring Day Camp for Boy Scouts.

Greg Schuett, has been the Principal of the Cuyamaca Outdoor School, since 1990. During that time he has crafted a program that provides a transformative learning experience and creates lifelong memories for more than 200,000 students. For Greg, what kids learn at camp is very important, but it’s who they learn they are through camp that changes them.

Greg Schuett is the recipient of the Van Arsdale Award. He creates on a weekly basis, a set of experiences that unlock and connect students to the natural world and to each other. As the principal of the outdoor school, he leads the largest residential science school program in California. His years of leadership make him one of the most respected environmental educators in public education. As a Board member of the Vulcan Mountain Foundation, Greg in his private life lives the values he promotes in public life.

Jerry Hemme presented the results of the election. Ann Desmond, Vic Enchelmayer, Faith Mitchell, Debra Oberg and Carol Stachwick were elected to serve terms expiring in 2019. After a few closing remarks the meeting was adjourned.
